Since the school board is responsible for the education of our boys and girls, it was gratifying to them when the voters of the school district approved a bond issue January 21, 1964. This will provide a much needed lunchroom, gymnasium, library, shop, and seven classrooms. Plans call for completion by the fall of 1966.

Care of our school and grounds is entrusted to these people. Carl Beall is the custodian at Luana, Carl Schmidt is the custodian at Farmersburg, and the remaining three are at Monona. Avery Bollman, who has been at M-F-L eight years, will leave this coming year to accept a position at the Wartburg College in Waverly.

Homecoming

Parent's Night

The Student Council put much effort into planning varied activities for the student body. They worked extra hard this year! As a result, all our activities were improved. They included the "Welcome Freshmen" dance, Dad's night, homecoming, Christmas party, parent's night, and skits for pep rallies.

James Carl Melcher

(July 16, 1947-July 5, 1964)

He was a charter member of the Chancel Choir and Luther League at St. Paul Lutheran Church, a member of the FFA, and would have graduated with the class of 1965. The three years he spent at M-F-L High School will be remembered especially by his classmates.

GO, FIGHT, W-I-N!

During the year, the cheerleaders of M-F-L were busy planning pep meetings, making posters, and practicing the yells. Because of the added activity, wrestling, three additional cheerleaders were elected so that yells could be lead at all winter sports. New uniforms were adopted so that all the cheerleaders would be dressed alike.

Mr. Thomas James was the faculty advisor.

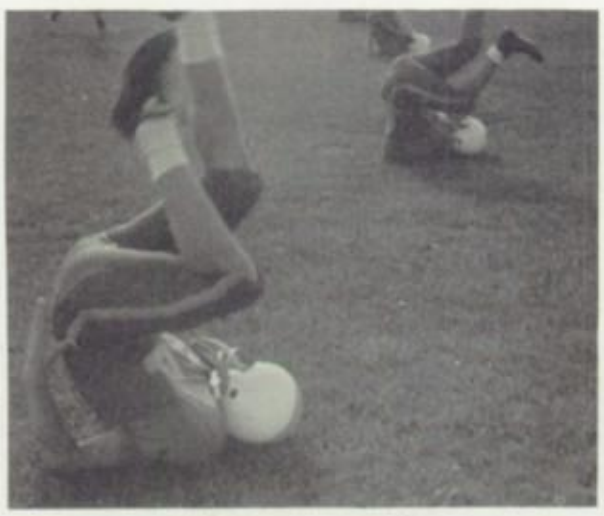
JOIN HANDS FOR VICTORY

Calisthenics boys??? 1-2-3

The mighty Bulldogs have for the first time in the history of our school repeated a conference championship. Even though we share the Upper Mississippi Conference title with Edgewood-Colesburg and Starmont, we are proud of it. This should prove to be a pleasant memory for the seniors and an inspiration for next year's team.

And then there are the HARD workers on a team.



Jerry, are you trying to cut that waist line down?

These are the boys that backed our CHAMPS.

The Junior Varsity ballplayers will make up our future varsity teams, and so it is important that here they learn the fundamental principles of playing basketball. The future looks bright for M-F-L, because of the fine records of the teams. The boys were Conference Champions with a 14-1 record and the girls had a good season with nine wins and six losses.

Wrestling was introduced as a new sport to the students of M-F-L. Even though the record is unimpressive, we are proud of the improvement shown from meet to meet by the squad. The inexperience of the boys at the beginning of the year changed to talent for a hopeful season next year. As they have said, "This is the best squad and the best coach our school has ever had."

The still young Letterettes Club, newly formed last year, has brought new life for girl athletes. They took on the project of selling Bulldog bookcovers. At the height of its popularity, an old-fashioned barn dance was sponsored by the club. The year's activities were highlighted with the initiation of new members in the spring.

Homecoming

The M-F-L Band, the Queen Candidates, and the football squad, riding on the truck decorated by the team, left the school and lead the student body to Main Street. There they assembled for their Homecoming Pep Rally, October 2, 1964.

ON TO

The crowning of the queen then took place on Main Street. Our Homecoming Queen, Janet Wachter was crowned by co-captains Don Hangartner and Gregg Gordon. Janet's attendants were Kathy Chamberlain, Susan Drahn, Mary Ann Lenth, and Carol Waskow.

The cheerleaders helped to increase the school spirit by leading the student body in cheers. Mrs. Gerald Frye, the first Homecoming Queen, of Monona-Farmersburg, was one of our honored speakers. Kathy Freilinger, 1963 Homecoming Queen, Ronnie Miller, a businessman and former football player, and Eddie Parker, a member of the football squad, all gave encouraging pep talks.

The evening festivities started with the Queen and her attendants driven through the band formation while "Sweet Heart of Signa Chi" was played. Queen Janet was then presented her traditional dozen long-stemmed roses by Don Scheffert President of the Student Council.

The Homecoming game then followed, which was played against Dyersville. It was a very hard fought game, but the Bulldogs were unable to come through with a victory.

ROYALTY

Following the football game Queen Janet crowned King Don in the gymnasium. The King and Queen were then followed by the Princesses and their escorts to the throne, which was decorated by the home economics class.

The King and Queen led in the traditional Homecoming Dance which brought the 1964 Homecoming festivites to a close. The dance was enjoyed by everyone.

A NIGHT TO REMEMBER

Polynesian Night was the theme of the 1965 Junior-Senior Banquet and Prom. This annual social event took place on May 12. The banquet was at St. Patrick's Parish Hall. The tables were beautifully decorated with miniature palm trees and pineapples. The ladies of the Rosary Scoiety prepared the meal, and sophomores selected by the junior class served as waiters and waitresses. The prom followed the banquet in the M-F-L High School gymnasium. The music was provided by the All Stars from Decorah, Iowa. The gym was decorated in jungle colors, brown and yellow predominating. The room was accented with large palm trees and torches.
